## ABOUT THE COMPANY

**BEMETA is a Czech manufacturer of bathroom accessories with a tradition dating back to 2004**

From South Moravia, we bring bathroom accessories to the world that combine precise craftsmanship, high-quality materials, and thoughtful design. Our collections are designed for homes, hotels, and public spaces alike. We also focus on barrier-free solutions, where aesthetics and safety go hand in hand. Thanks to our in-house development, manufacturing, and warehousing, we maintain full control at every stage - from the initial idea to final implementation.

**IN-HOUSE PRODUCTION  
CZECH DESIGN  
FOR HOTELS AND HOMES  
BARRIER-FREE LIVING**

# Heated TOWEL rails

Our elegant heated towel rails are available in a variety of sizes, shapes, and colours, making it easy to find the perfect fit for your bathroom.

Thanks to the digital display, you can easily set the ideal temperature and heating time - for everyday warmth and comfort.

## ELECTRIC TOWEL rail, Bar

**Technical specifications**

**Dimension:** 1180-1720 mm

**Power:** 30-46 W

**Depth:** 90-155 mm

**Weight:** 1,021-1,8 kg

**Mounting method:** wall mounting

**Connection type:**

- to the electric socket

The dryer is equipped with a supply cable for connection to a 130 cm long socket.

- fixed into the wall

Using the adapter, a fixed connection to the wiring is possible.

**Digital display**  
Allows easy temperature adjustment and heating time, which ensures comfortably warm towels at all times, when you need them.

**Hanger**  
Handy helper, not only for drying for just drying a bathrobe. Simply just hook to the heating rod.

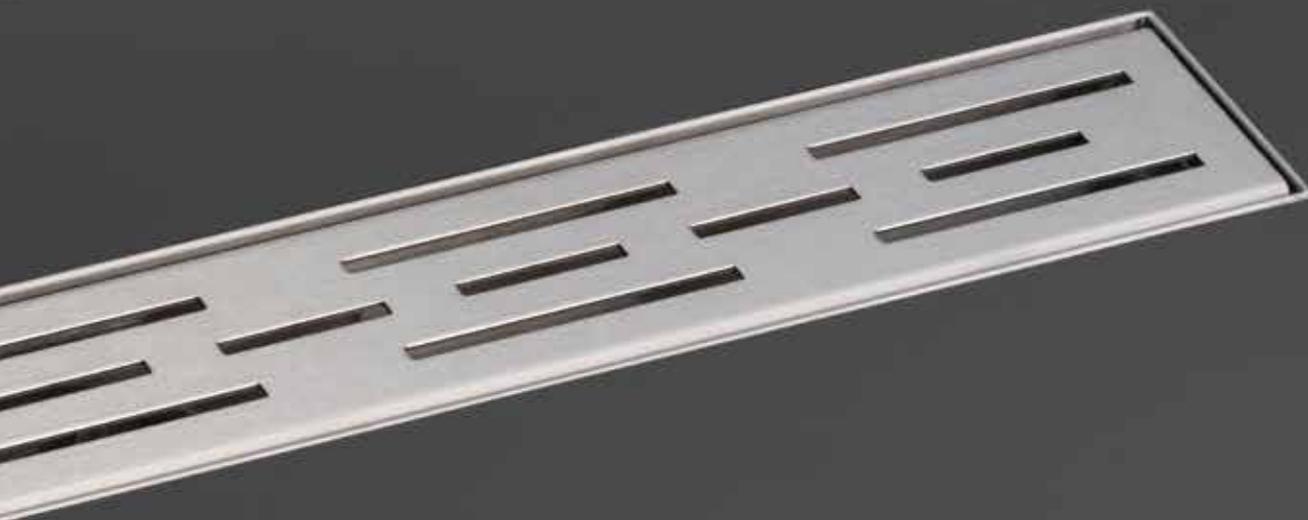

**Concealed connection kit for electric towel rails**  
Enables elegant and safe connection of the heater ladder directly into the wall. It is available in coloured matching with the design of the heating elements.

# CUSTOM-MADE Mirrors

A mirror can be more than just a reflection.

It can become an integral design and functional element of the interior.

We manufacture mirrors **tailored to your project**, including custom dimensions and atypical shapes, with flexible options for lighting, integrated magnifying mirrors, touchless control, Bluetooth connectivity, clocks, power and USB solutions, shelves and further details adapted to specific design and technical requirements.

Thanks to our **in-house production**, we deliver bespoke mirror solutions for **hotels, residential projects and public spaces**.

■ B

# **PUBLIC SPACES & HOTEL**

With public spaces bathroom accessories we focus on their maximum durability, functional design and easy maintenance. We offer professional solution for those who prefer minimalist design, precise workmanship and a wide range of choices.
