## Led podsvícená zrcadla atypická

Led backlit mirrors atypical

Spiegel in Sonderanfertigung

Зеркала под заказ с LED подсветкой

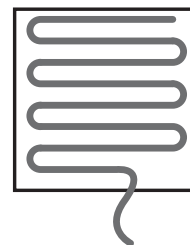

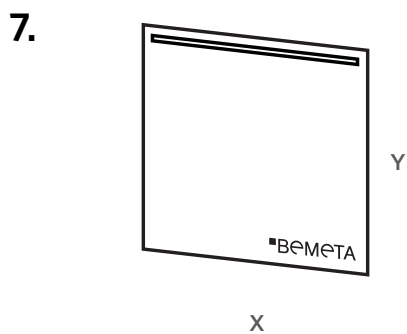

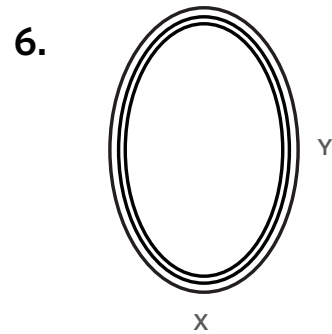

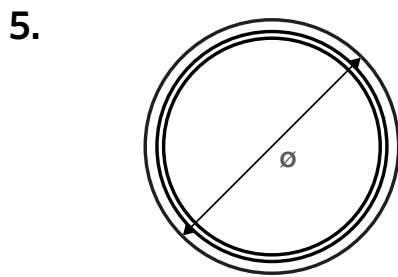

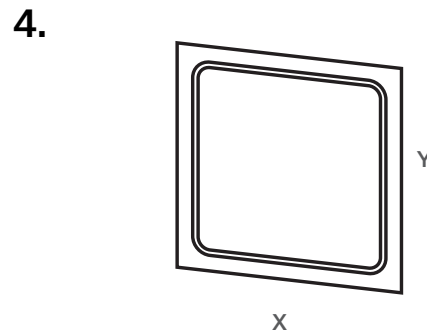

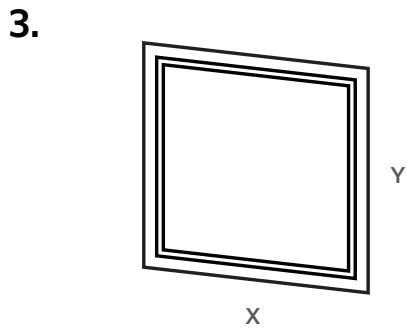

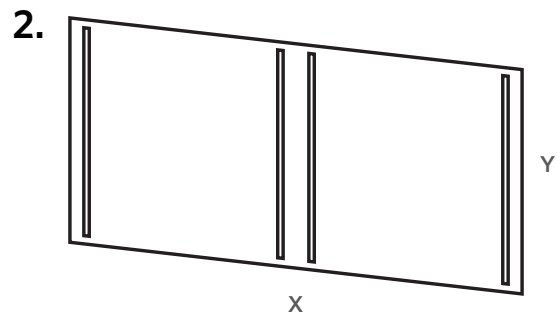

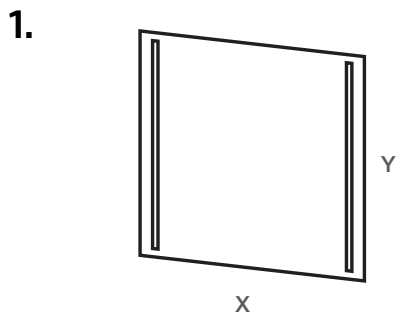

Zrcadla na zakázku s LED osvětlením ve variantách teplé nebo studené světlo. Jedná se o zakázkovou výrobu, zákazník si stanoví velikost (XxY), tvar zrcadla i podsvícení (logo, znak, vypínač...). Také lze objednat vyhřívání zrcadla proti zamlžení.

Mirrors with LED lighting options in warm or cold light. Customised production based on received customer requests - mirror shape, the size (YxX) and type of backlight (logo, character...). Basic version doesn't have on/off switch or heater - this can be ordered additionally.

Hier können Sie Ihren Spiegel nach Ihren Wünschen zusammenstellen. Geben Sie uns die Größe/Masse (X, Y), die Spiegelform und ob Sie eine Beleuchtung wünschen an. Zusätzlich können Sie noch eine Spiegelheizung wählen. Der Basisspiegel wird ohne Zusätze geliefert, alle Zusätze können dazu bestellt werden.

Зеркала под заказ, с LED подсветкой - теплый или холодный свет. Под заказ клиента зеркала производим в различных размерах (XxY), с подсветкой или без, с нагреванием или без, с логотипом, символом... Выключатель и обогрев не входят в основное предложение - их можно заказать дополнительно.
